

# INTERNET & TECHNOLOGY RULES & REGULATIONS

The RBC Convention Centre Winnipeg is the sole provider of hardwired high speed internet in the facility.

Each paid connection is to be used by one computer only.

No connection can be resold.

Customer installed equipment is not allowed to provide wireless internet access from a hard-wired connection.

If the above policies are not followed, additional charges may be assessed.

All equipment provided by the RBC Convention Centre will remain the property of the RBC Convention Centre at all times and must not be removed from the Convention Centre premises. The customer is responsible for the Equipment at all times while the equipment is under the care, custody or control of the customer.

The RBC Convention Centre Winnipeg will pick up equipment at the conclusion of the event.

Removal of the equipment from the site will result in charges to the customer for the cost of the equipment.

There will be a minimum charge of \$65.00 to move/change location (if possible) of already installed lines.

Services ordered, installed but not used, will not be refunded.

All claims or discrepancies must be settled at the Convention Centre site prior to the show closing.

Rates are subject to change without notice.
