## **RULES AND REGULATIONS**

**EXHIBITORS/CLIENTS ARE PROHIBITED** from opening or removing the covers on the floor ports without a W.C.C. maintenance employee present; preferably the plumber or electrician.

Hot tubs will **NOT** be allowed to hold **ANY** water if displayed on the first or second floor.

The **W.C.C. plumber** must approve the size of drain hoses and the rate of flow before hot tubs or other water containers can be drained.

Exhibitors intending on filling hot tubs will be required to order the water hookup and drain. Be aware that the initial fill is part of the water hook-up charge. There may be a surcharge levied for refills, based on consumption.

The Winnipeg Convention Centre recommends that exhibitors provide their own filter system to ensure clean water.

Exhibitors will be responsible for any and all damage and any liability caused by faulty equipment owned by exhibitor and/or installation of same.

**ALL RATES SUBJECT TO CHANGE WITHOUT NOTICE.**
