

CENTRE MEDIA ADVERTISING LED OUTDOOR SIGNS

YOUR MESSAGE IS COVERED!

BRIGHT. BOLD. FULL EXPOSURE. In the Centre of downtown Winnipeg, at every corner of the Winnipeg Convention Centre. Your message broadcast simultaneously, 24 hours a day, on four LED signs with a two minute loop, 720 occasions per sign - 2880 exposures per day! With a daily traffic count of over 55,000 persons and attendance at events in excess of 400,000 - your message is covered!

AMAZING COLOUR IMAGES!

With a 16 mm pixel pitch, our LED signs provide the sharpest and brightest resolution capable of displaying a massive colour palette with true NTSC colours. Amazing colour depth with a horizontal viewing angle of up to 140°. Our LED signs provide clarity and vibrant colours allowing for close up viewing. Messages can be displayed as static images, or brilliant video with amazing animation - to "move" your message!

COST EFFECTIVE EXPOSURE!

Your message displayed with simple information, such as time and temperature, and event announcements, transforms our LED signs to a Message Centre, which attracts viewers regularly for full exposure. And, with attractive daily advertising rates, you are covered during daily peak traffic periods - the kind of advertising that will enhance your bottom line!
