EXHIBITION HALLS A & B

Our 78,000 square foot exhibition hall provides for a variety of flexible uses from sporting events and trade shows to banquets for up to 5,000 people.

- FEATURES INCLUDE:**
- Thirty-foot, open grid ceiling allows plenty of room for tall exhibits
 - Third floor level is accessible through an indoor, climate controlled loading dock that allows up to 7 semi-trailers at one time.
 - Third floor space can be divided into two separate halls of 50,000 and 28,000 square feet (4,651 & 2,605 sq meters resp.).
 - Accommodation of up to 425 10' x 10' (3mx3m) exhibition booths.
 - Floor ports every 30 feet (9m) for utility services (see coding).
 - Portable stage lighting unit with 4 possible ceiling positions operating from a master control booth.
 - Follow lighting from 6 balconies for full floor coverage.
 - Mercury vapour room lighting - 125 candle power at floor level.
 - Dressing rooms overlooking exhibit halls, complete with shower facilities
 - Corporate Boardroom adjacent to the exhibit hall for VIP board meetings, special interviews or media presentations.
 - Wheelchair accessible washrooms, concession and lobby areas.

ROOM PLANNING NOTE:
Receptacle locations are approximate. Room capacities for audience and displays will vary according to staging, lighting and other needs.
