RE: Realty Executives Premiere Reception  
February 23, 2007

Dear Klaus,

I want to thank you on behalf of Realty Executives Premiere and our western Canadian regional developer.

The reception was a real hit, your staff from John, Nina, Stacey and our main server rose were all terrific and made the evening very special.

We would request that you reserve the VIP room in our name for the evening of the WinnipegRealtors® 105<sup>th</sup> Annual Banquet in 2008.

Please convey our sincerest appreciation to all your staff for a job well done.

Yours sincerely,
