Dear Jan:

RE: Canadian Pension & Benefits Institute 2007 National Conference June 13-15/07

I recently received the Evaluation Report on our National Conference prepared by the CPBI National Office. I'm pleased to advise that we received an impressive 94% rating of good to excellent on the overall conference.

The facilities at the WCC were cited many times to me personally at the event itself, as well as mentioned in the report. As you are aware, I am very familiar with the facilities through my association with other organizations in the past as well as with the event coordinators over the years. The facility and service have maintained their excellence!

On behalf of the team at our National office and myself, I would like to extend a thank you for helping us make our conference such a success! In particular, a big thanks to Stacy Roteliuk, our event coordinator. She was amazing! The amount of detail that was processed by her (and thankfully out of our hair!) was very impressive. Everything ran like clock-work.

Hope to cross paths with you again soon!

Sincerely,

Gale L. Feindel
CPBI 2007 National Conference Chair
