

EQUIPMENT RENTAL RULES AND REGULATIONS

The items are for rent only within the RBC Convention Centre Winnipeg.

The RBC Convention Centre Winnipeg does not rent any material handling equipment other than the scissor lift or forklift at the prevailing rate. Only RBC Convention Centre Winnipeg licensed operators may operate this equipment. It is important that all forklift operators are informed to drive slowly as these units mark the floor if handled incorrectly. The Manitoba Labour Board and the RBC Convention Centre Winnipeg require that only experienced and licensed drivers handle this equipment. A valid license must be presented upon request.

Other material handling equipment, such as pallet trucks and four-wheelers, is to be arranged privately.

Use of forklifts, electric or gas powered, is not permitted on any carpeted surfaces.

Damage and loss of equipment is the responsibility of the lessee.

Chairs and tables will only be rented if no official decorator, such as Central Display, is contracted.

Equipment is limited. Please order in advance to reserve.
